Literacy Poster to be Unveiled

ATF Explosive Detection K-9 Shirley, and her partner Deputy Tracey Breeden, will present a poster promoting the reading and school literacy program sponsored by Tulsa County Sheriff Stanley Glanz and the Tulsa County Sheriff's Office at 8:00 a.m. on, Tuesday, March 11, 2008. This will take place at the Cherokee Elementary School, located at 6000 North Peoria Ave., during their morning assembly.

The poster features Cherokee Elementary students who are the top readers and who have the top attendance records. This poster will be distributed throughout the Tulsa Public School system by Tulsa County Deputies who go to different schools and read to students. This program is part of Sheriff Glanz continuing efforts to bring children and law enforcement together in a positive learning environment.
