## **Tulsa County Sheriff's Office Seeks New Information on Cold Cases**

Saturday, June 05, 2010

On Sunday, June 6, 2010, from 0900 hours (9:00 a.m.) until 1800 hours (6:00 p.m.) the Tulsa County Sheriff's Office Criminal Investigations Unit will have a mobile command post set up at the home of Larry and Diana Dean. Larry and Diana are the parents of the late Dena Dean who was murdered more than 10 years ago. Despite vigorous investigatory efforts by the Tulsa County Sheriff's Office the investigation is still active and the murderer has yet to be brought to justice.

This is going to be a reception type of event in an attempt to solicit tips on cold cases still being investigated by the Tulsa County Sheriff's Office. The Dean family and the Tulsa County Sheriff's Office are hopeful that anyone with information on any crime, including the Dena Dean murder, will come forward and help investigators with new information. This new information may help resolve some of the cold cases and bring justice to the victims and their families.

The number that has been set up for tips or further information is 918-596-8661.
