Tulsa County Sheriff's Deputies to Aid Louisiana Law Enforcement

September 4, 2008

On Friday, September 5, 2008, 9:00 a.m. eleven TCSO deputies will leave from the Tulsa County Sheriff's Office Faulkner Building in a request for aid from the State of Louisiana. They will be deployed for up to 14 days in southern Louisiana. During their 14-day deployment, the deputies will be totally self-contained. Once they arrive at their destination, they will be under the direction of Captain Bill Bass. The deputies will be supplementing local law enforcement personnel from the State of Louisiana and will join members of the Oklahoma County Sheriff's Office and the Oklahoma Highway Patrol who are already deployed.
